

REMARKS

Applicant expresses appreciation to the Examiner for consideration of the subject patent application. This amendment is in response to the Quayle Action, mailed October 19, 2005. In response to the earlier Election/Restriction requirement, the Applicant provisionally elected Group 1, the readable claims thereon being claims 1-28, 67-76, and 95. The indication of these claims being allowable is acknowledged with appreciation. The remaining claims 29-66 and 77-94 have been canceled without prejudice.

CONCLUSION

In light of the above, Applicant respectfully submits that pending claims 1-28, 67-76, and 95 are now in condition for allowance. Therefore, Applicant requests that the claims be allowed and passed to issue. If any impediment to the allowance of those claims remains after entry of this Amendment, the Examiner is strongly encouraged to call Steve Perry at (801) 566-6633 so that such matters may be resolved as expeditiously as possible.

No claims were added. Therefore, no additional fee is due.

The Commissioner is hereby authorized to charge any additional fee or to credit any overpayment in connection with this Amendment to Deposit Account No. 20-0100.

DATED this 19th day of January 2006.

Respectfully submitted,

for  (46,809)
